LIFTING CLAMPS

Trade-in your old lifting clamp for a **20%** savings on a new CrosbyIP clamp

SAVE 20%!

HERE IS HOW IT WORKS.

For a limited time only Crosby is giving a 20% credit towards the purchase of a new CrosbyIP Lifting Clamp of equal type and tonnage. The offer is good for any non-CrosbyIP lifting clamp that qualifies even if it is worn out or defective. Just as long as it is not a current CrosbyIP clamp!

For each new CrosbyIP clamp you order with a trade-in you will get a 20% reduction of the purchase price.

Also if you have a CrosbyIP lifting clamp that is 10 years or older you are eligible for the same savings.

It is a great way to upgrade your existing lifting clamp fleet and stay current with the newest innovations on the market today from the market leader in lifting clamps.

Offer available until May 16th 2016.

HERE IS HOW TO TELL IF YOUR CROSBYIP LIFTING CLAMP IS ELIGIBLE FOR THIS OFFER.

To see if your older CrosbyIP lifting clamp is eligible for this offer check the serial number to see if the number is before 05 00000 or the serial number starts with letters. If your clamp meets these guidelines then it is eligible for the special 20% savings*.
